Mr. Jordan, by now you should have received designation of counsel forms indicating that I and my firm will be representing Mr. Robert E. Murray, Murray Energy Corporation, and Murray Energy Corporation PAC in connection with the above-captioned matter. Because this is a matter that will require more time to develop a thorough response, I respectfully request a 30-day extension of time for such response. The complaint was received today, October 15, so the requested extension, if granted, would make the response due on November 29.

Please note that we will be sending an additional designation of counsel form for Mr. Michael G. Ruble, the PAC treasurer, and we request the same extension on his behalf.

Please advise whether the requested extension has been granted. If you have any questions, please contact me.

Best regards.
